

Kevin Bonavia MP's Christmas Card Competition

Create your design inside this box

A large rectangular area defined by a dashed green border, intended for creating a Christmas card design.

Kevin needs your help!

As the Member of Parliament for Stevenage and our villages, Kevin sends Christmas cards to lots of people. Could you be the artists that draws or paints his card this year?

If you think so, use this sheet of paper to create your masterpiece! It can be anything you like, using the theme "Christmas in Stevenage and the villages".

What does Christmas mean to you? It could be spending time with your family and friends, eating lots of nice food, or maybe it's getting a couple of weeks off school!

Make sure your artwork fits in the box on this page, and can be copied onto hundreds of cards. Then, get your parent, carer or teacher to fill in the form on the back, and send it in to Kevin to be in with a chance of winning. Good luck!
